OF VETERANS ABANDON ANOTHER"**

On Friday, March 29, 2024 is National Vietnam War Veterans Day.

March 29th was chosen as National Vietnam War Veterans Day because on March 29, 1973, the Military Assistance Command, Vietnam (MACV) was disbanded, and the last U.S. combat troops departed the Republic of Vietnam. Around this same day Hanoi released the last of its known Prisoners Of War.

March 29, 2024, marks 51 years since the troops departed Vietnam.

The Vietnam Veterans of America (VVA) Chapter 131 of Berks County invites you to join them as they extend their hands and say, "WELCOME HOME VIETNAM VETERANS". It will be a time of camaraderie and fellowship where we can share our stories and experiences with each other.

The gathering will be at 11:00 in Reading City Park by the Vietnam Veterans Memorial.

Help us spread the word to our friends, relatives and neighbors. In past years there has been a nice turnout for the event. A few key people will say some brief words and then the "mic" is open to any one who would like to speak.
